## HOSPICE CARE

McGregor Hospice is a special kind of caring for individuals and families who are facing a life limiting illness.

McGregor Hospice emphasizes quality and caring while promoting comfort and support for both the individual and their family. The Hospice Team at McGregor is committed to addressing the patient and family's physical care, emotional support and spiritual needs. All team members work together to achieve the highest quality of life for patients and family. The Hospice Experience is provided where ever the patient resides. This includes a private home, long term care facility, assisted living apartment, or the home of a family member or friend.

## NURSING CARE

Our team of experts include licensed nurses, state tested nursing assistants, physicians on call 24/7, licensed dietitians, social workers, activities coordinator and nurse practitioner. Our on-site clinic provides dental care, podiatry and eye exams.
