VOLUNTEERS ARE A VITAL COMPONENT OF MCGREGOR’S CARE-GIVING TEAM

You bring your unique personality and talents to our home and enhance the lives of our residents and staff.
We enjoy having retirees, college students, parents, employed people and teens (13 years and older).
Volunteers are welcome during the day, early evening and on weekends.
Ask about other community projects and special events that are in need of volunteer assistance.

Please call the Volunteer Director to make an appointment for a tour and interview so that we can match your skills with our volunteer opportunities.

OUR HISTORY
The A.M. McGregor Home and Amasa Stone House merged in 1987 to form a non-profit, interdenominational retirement community where there is a climate of gracious living and where the residents can enjoy their retirement years with a sense of comfort and security. There is a full range of health services available, and the residents are encouraged to furnish their rooms with their own personal belongings.

The commitment of the Continuing Care Community is to provide residence for elderly people, providing individualized services and fosters the rights, integrity and uniqueness of each individual resident.

McGregor is located just north of the intersection of Mayfield and Lee roads, adjacent to Forest Hills Park. The Gardens of McGregor are housed in a new building surrounded by 32 acres of beautiful grounds and with views of Lake Erie.

“There is incredible value in being of service to others!” —Elizabeth Berg, author

“The gift of time is priceless.” —Unknown

“We make a living by what we do, but we make a life by what we give.” —Winston Churchill
