INDEPENDENT LIVING

An active social life when you want it. Privacy when you need it. Going further to make you feel at home.

Independent Living at McGregor is a place where you can express your own personality and foster connections with your family and friends. We're committed to your personal well-being and to making your life easier.

Every McGregor independent living apartment is designed with all the comforts of home in mind. Many residents begin their experience in our independent living apartments, each with its own unique layout. Among the features that residents appreciate are interesting spaces, bright and open hallways, and fully equipped kitchens complete with oven/stovetop, microwave, dishwasher, and refrigerator. McGregor's spacious independent living apartments are designed with you in mind offering a choice of one and two-bedroom floor plans. Daily activities make it easy for new residents to discover friendships. Cozy armchairs, comfy couches, beautiful sitting areas throughout the building, and an inviting Rockefeller Room encourage friends and loved ones to visit for a while.

ASSISTED LIVING

You've planned ahead for your senior living needs. So have we.

When you choose McGregor Assisted Living you make safety and healthy living a priority while maintaining your independence, along with a rich social life within McGregor and the surrounding community. Our Studio and One-bedroom apartments feature walk-in showers, utilities (including cable), individually controlled HVAC, three chef-prepared meals daily, weekly housekeeping and personal laundry, daily trash removal, emergency response pendants for all residents, care team members onsite, and robust activity programming offering so many choices and ways to make new acquaintances. Additional services include medication management and individualized care plans when you need it. Our grounds play host to beautifully appointed courtyards, patios, walking paths and gardens. We believe a healthier life is centered around happier living. With five levels of care and so many amenities, McGregor's Assisted Living may be the perfect place for you!

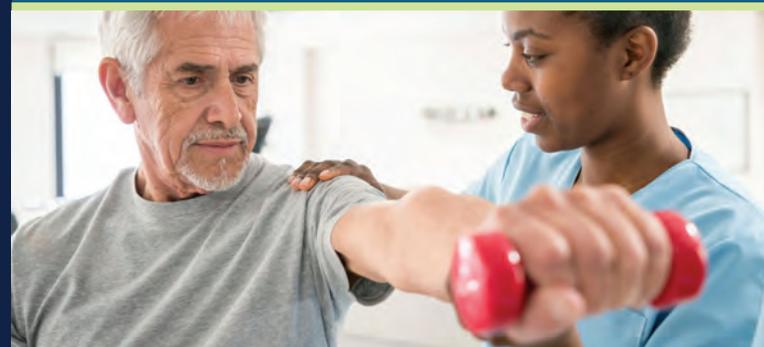

SKILLED NURSING

When it comes to nursing care and rehabilitation, everyone's needs are unique. Each resident receives a dedicated and compassionate commitment from staff members to help them find passion, quality, and fulfillment from life through life enrichment programs. Our long-time staff members become like family for our residents and, therefore, have more investment and insight into their quality of life. All our nursing accommodations are private suites, with a window and breath-taking views of our grounds. McGregor is not your traditional nursing home; it's exceptional.

REHABILITATIVE SERVICES

Regaining Your Independence

Your transition from hospital to home. Our rehabilitation team develops a comprehensive, individualized care plan to help you achieve your maximum physical, social, and emotional independence quickly and safely. We are here to make sure that your recovery is reached through safe and effective plans and execution by a team with unparalleled experience and patient satisfaction.

When the time comes and you need therapeutic treatment to recover, we hope that you'll remember the team that is taking care of Cleveland's seniors every day.

HOSPICE

A Special Kind of Caring. We are here for you every step of the way.

McGregor Hospice emphasizes quality and caring while promoting comfort and support for both the individual and their family. The Hospice Team at McGregor is committed to addressing the 'whole' patient as well as the family's physical care, emotional support, and spiritual needs. The Hospice Experience is provided wherever the patient resides. This includes a private home, long term care facility, assisted living apartment, or the home of a family member or friend.

PACE Program of All-Inclusive Care for the Elderly

Live at Home. Your Goal. Our Priority!

McGregor offers the only PACE program in Ohio, providing supportive services throughout our campus and in the community! We strive to improve the quality of life for seniors in the Cleveland area by allowing them to remain in their community while receiving the help they need – both in the home and through our adult day health centers. McGregor PACE participants receive the medical, rehabilitative, social, and personal care they need while living at home...and when other living options are needed, rest assured you are in good hands knowing PACE will be accessible within your remaining financial means.
