

# McGregor PACE: Your Comfort is Our Priority

Are you looking for care in the comfort of your own home? McGregor PACE may have the solution for you! PACE is the Program of All-inclusive Care for the Elderly. PACE takes care of you wherever you may call home and is comprised of a specialized, trained team of medical professionals that work together to coordinate your medical and socialization needs.

## Who is eligible?

- 55 years of age or older
- Residents of Cuyahoga and Lorain County
- Eligible for a nursing home level of care
- Able to live safely in the community

PACE uses a community-based approach, by allowing you to come to their adult activity centers to interact and socialize with others. The adult activity centers continuously have activities to ensure you feel part of a community, while also receiving the care you need. PACE also accepts private pay or Medicaid, so you don't have to stress about the expenses while getting the services that you want and need. With a team of medical professionals to help you through your journey, you can enjoy life while connecting with others. You may also see your primary physicians as needed through the help of our transportation. We handle all your needs for you.

**PACE provides the following services:**

- Primary care physician
- Medical specialist
- Medical clinic
- Transportation
- Adult activity center
- Home health care
- Meals
- Therapy – physical, occupational, and speech
- Dental, vision, and hearing

**Mission**

We improve the quality of life for older adults in Cuyahoga and Lorain County by allowing them to remain living in their community while receiving the extra support they need.

**Vision**

We will resolve the shortage of affordable senior housing in Cleveland and continue to increase the number of PACE participants in Cuyahoga and Lorain County.

**Values**

We value the development of affordable senior housing in Cleveland, the training and education of the aging services workforce, and ensuring quality of life for older adults.
