Experience Five Levels of Care, All on One Campus

You've thoughtfully planned for your senior living journey—and so have we. At McGregor, we are dedicated to providing a continuum of care that means you'll never have to search elsewhere for the support and community you deserve.

Our residents often start their stories with us in our independent living apartments or our private assisted living suites. As needs change, there's comfort in knowing that everything—from rehabilitative services to skilled nursing and compassionate hospice care—is available right here on our vibrant, 45-acre historic campus.

Whether you are seeking an active independent lifestyle, requires a little extra assistance, or need specialized

rehabilitative or long-term nursing support, McGregor seamlessly brings together all facets of senior care under one welcoming roof.

We believe every individual has a unique and meaningful legacy—and so do we. McGregor's tradition of excellence and service has been part of the Greater Cleveland community for nearly 150 years.

Discover more about how McGregor can be part of your story. Explore our website at mcgregoramasa.org or, even better, schedule a visit to experience our community in person. See what's possible—Your journey starts here, and you're always welcome at McGregor.

INDEPENDENT LIVING

An active social life when you want it. Privacy when you need it. Going further to make you feel at home.

Independent Living at McGregor is a place where you can express your own personality and foster connections with your family and friends. We're committed to your personal well-being and to making your life easier.

Every McGregor independent living apartment is designed with all the comforts of home in mind. Many residents begin their experience in our independent living apartments, each with its own unique layout. Among the features that residents appreciate are interesting spaces, bright and open hallways, and fully equipped kitchens complete with oven/stovetop, microwave, dishwasher, and refrigerator. McGregor's spacious independent living apartments are designed with you in mind offering a choice of one and two-bedroom floor plans. Daily activities make it easy for new residents to discover friendships. Cozy armchairs, comfy couches, beautiful sitting areas throughout the building, and an inviting Rockefeller Room encourage friends and loved ones to visit for a while.

ASSISTED LIVING

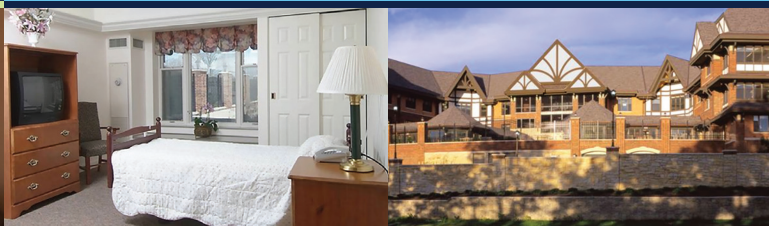

You've thoughtfully prepared for your future senior living requirements and so have we.

At McGregor Assisted Living, you're prioritizing safety and wellness while keeping your independence and enjoying an active social environment within both McGregor and the greater community. Our Studio and One-bedroom apartments provide walk-in showers, all utilities (with cable), individually adjustable HVAC, three daily chef-prepared meals, weekly housekeeping and laundry, daily trash collection, emergency response pendants for every resident, dedicated onsite care staff, and a vibrant calendar of activities to help you connect and make new friends. We also offer medication management and personalized care plans when needed. Our beautiful grounds include inviting courtyards, patios, walking trails, and gardens.

We believe that better health is built on happier living. With a wide range of amenities and a focus on an affordability option, McGregor's Assisted Living offers an excellent option for those seeking quality care without compromising value. Discover how our community could be the perfect choice for your next home!

SKILLED NURSING

When it comes to nursing care and rehabilitation, everyone's needs are unique. Each resident receives a dedicated and compassionate commitment from staff members to help them find passion, quality, and fulfillment from life through life enrichment programs. Our long-time staff members become like family for our residents and, therefore, have more investment and insight into their quality of life. All our nursing accommodations are private suites, with a window and breath-taking views of our grounds. McGregor is not your traditional nursing home; it's exceptional.

REHABILITATIVE SERVICES

Regaining Your Independence

Your transition from hospital to home. Our rehabilitation team develops a comprehensive, individualized care plan to help you achieve your maximum physical, social, and emotional independence quickly and safely. We are here to make sure that your recovery is reached through safe and effective plans and execution by a team with unparalleled experience and patient satisfaction.

When the time comes and you need therapeutic treatment to recover, we hope that you'll remember the team that is taking care of Cleveland's seniors every day.

HOSPICE

Hospice of Greater Cleveland

A Collaboration for a Special Kind of Care. We are here for you every step of the way. Hospice of Greater Cleveland is a partnership between Judson and McGregor Senior Living Communities. This strategic partnership, built on the strengths of both organizations, is designed to provide the utmost comfort, dignity, and support to our hospice residents during their end-of-life journey. The Hospice Team is committed to addressing the 'whole' patient as well as the family's physical care, emotional support, and spiritual needs. The Hospice Experience is provided wherever the patient resides, whether at home or in a community.

McGregor PACE Program of All-inclusive Care for the Elderly

Live at Home. Your Goal. Our Priority! McGregor PACE is dedicated to enhancing the well-being of older adults throughout northeast Ohio by supporting their choice to stay in their community and get the care they require—both at home and through our adult day health centers. PACE participants benefit from comprehensive medical, rehabilitative, social, and personal services while remaining at home, and if the need arises for a different living arrangement, you can trust that PACE remains available within your financial reach.
